CORRESPONDENCE TO THE UNITED STATES EASTERN DISTRICT COURT OF
CALIFORNIA, ROBERT T. MATSUI COURTHOUSE
CLERK, AND JUDGE OF MAGISTRATE.

CLERK, U.S. DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA
BY  DEPUTY CLERK

To whom this may concern:

On 3/4/2021 checked to see if my written amended notice to appeal has been filed that I sent and filed on 2/25/2021. I saw that it looks like the defendants have committed forgery and tampering with the notice to appeal by copying line #10 with my sworn statement making it look like I resent it and entering #15 on 3/1/2021 the last paper that I have sent in is line #14 written and signed by me I am still going to appeal this case with The United States supreme court.

The defendants Windsor El Camino care center and Healthcare services group did line #15 so the case does not get appealed in the Supreme Court and reversed judgment of dismissal with prejudice of 1/21/21 of Breach of contract on a consent judgment from both defendants. they have gave a consent for me to enter a judgment against them and they didn't think that nothing would happen and they would just file chapter and wipe it out. breaching an agreement on judgment on a in this civil case that has been agreed it should not matter if the complaint only states facts for breach of contract and civil harassment

I declare under penalty of perjury AND under the laws in the state of California that the forgoing is all true and Correct.
